

André Jol, EEA Head of Group Climate change impacts,
vulnerability and adaptation

11th Eionet workshop on climate change impacts,
vulnerability and adaptation, 21-22 June 2017

EEA work programme 2018 and beyond

EEA programming document 2018-2020 and work programme 2018

PD 2018-2020:

- EEA Management Board, incl country views: autumn-end 2016
- Commission and EP opinion: July 2017
- EEA to revise: Sep-Oct 2017
- EEA SC opinion: Oct 2017
- EEA Management Board adoption of final PD 2018–2020 and budget 2018: 6 December 2017

PD 2019-2021:

- Consultation on initial draft (including Management Board, Scientific Committee and NFPs), Oct 2017
- Review by EEA MB (6 December 2017)
- Adoption draft PD 2019-2021, Jan 2018

European Environment Agency Draft Programming Document 2018-2020

Expanding the knowledge base for policy implementation and long-term transitions

Draft adopted by EEA's Bureau at its 71st meeting of 31 January 2017 in line with the decision adopted by the EEA Management Board at its 77th meeting of 7 December 2016 to delegate the adoption to the Bureau.

2018 highlights:

- Assessments on climate change impact, vulnerability, and adaptation and links to disaster risk reduction and improving the Climate-ADAPT platform, as relevant for the 2017/2018 evaluation of the EU climate change adaptation strategy and its mainstreaming into other EU policies.

AWP2018 Climate change impacts, vulnerability and adaptation (2)

Description	Type	Key partners	Justification/legal reference
Overview and analysis of national climate change impacts, vulnerability, risk assessments	Reports and assessments	DG CLIMA, DG ENV, Eionet NRCs for climate change impacts, vulnerability and adaptation	EU Adaptation strategy (Commission communication) and evaluation in 2017/2018 7 th EAP
Updated indicators on climate change, impacts and vulnerability	Indicators	DG CLIMA, DG ENV, DG JRC, DG RTD, WHO, ECDC, ECMWF (European Centre for Medium-Range Weather Forecasts), Eionet NRCs for climate change impacts, vulnerability and adaptation	EU Adaptation strategy (Commission communication) and evaluation in 2017/2018 7 th EAP
Updated and improved European Climate Change Adaptation Platform Climate-ADAPT (regular content updating including urban information, voluntary provision by countries of updated country pages; various improved functionalities); user interaction (webinars, newsletter, meetings); overall review of the platform; revision of the work plan.	Information systems	DG CLIMA, DG ENV, DG JRC, DG RTD, DG ECHO, DG REGIO, WHO, ECDC, ISDR, Regional conventions, Covenant of Mayors, EPA Network, Eionet NRCs for climate change impacts, vulnerability and adaptation	EU Adaptation strategy (Commission communication) and evaluation in 2017/2018 7 th EAP, Europe 2020 Strategy, EU Urban agenda, European Commission/ EEA Work plan on Climate-ADAPT

AWP2018 Climate change impacts, vulnerability and adaptation (3)

Description	Type	Key partners	Justification/legal reference
Assessment on links between climate change adaptation and disaster risk reduction (follow-up 2017 report)	Reports and assessments	DG CLIMA, DG ENV, DG ECHO, DG JRC, DG RTD, ISDR, Eionet NRCs for climate change impacts, vulnerability and adaptation	EU Adaptation strategy (Commission communication) and evaluation in 2017/2018 EU civil protection and disaster risk reduction policies (including the Civil Protection Mechanism) Floods Directive, EU green infrastructure strategy
Assessment of mainstreaming of climate change adaptation in sectoral policies	Reports and assessments	DG CLIMA, DG ENV, DG AGRI, DG ENER, Eionet NRCs for climate change impacts, vulnerability and adaptation	EU Adaptation strategy (Commission communication) and evaluation in 2017/2018
Assessment and methodological work on monitoring, reporting and evaluation of urban and national adaptation policies	Reports and assessments	DG CLIMA, DG REGIO, Covenant of Mayors, Eionet NRCs for climate change impacts, vulnerability and adaptation	EU Adaptation strategy (Commission communication) and evaluation in 2017/2018 EU urban agenda
Eionet workshop on climate change impacts, vulnerability and adaptation (and expert meetings)	Workshops and meetings	DG CLIMA, Eionet NRCs for climate change impacts, vulnerability and adaptation	EEA/Eionet Regulation
Contribution to the Commission (DG CLIMA) Covenant of Mayors initiative and the regular ICLEI conference on urban adaptation Contributions to other conferences and meetings, Collaboration with ECMWF, link to and use of the Copernicus climate change service	Workshops and meetings	DG CLIMA, Covenant of Mayors, ICLEI UNFCCC, IPCC, ISDR, WHO, UNEP-PROVIA (Global Programme of Research on Climate Change Vulnerability, Impacts and Adaptation), EPA network Copernicus climate change service	EU Adaptation strategy (Commission communication) and evaluation in 2017/2018 Copernicus regulation
