Tuesday 8th October 2013

Venue: RHMSS, Belgrade.

Monday 7th October

19:30 Dinner For those that arrive on Monday: Please join us for dinner in a local, good value restaurant that will be advised nearer the time.

Tuesday 8th October 2013

08:30 Registration

09:00 Welcome by host: Director of HIDROMET Service of Serbia

09:05 Update from the EEA on the EU Adaptation Strategy and new ETC 2014-2018 - Andre Jol

09:15 ECRAN update – Imre Csikos

09:25 Q&A (Andre Jol and Imre Csikos)

Session 1a Preparing and adopting a national strategy

09:35 Austrian National Adaptation Strategy (adopted): Markus Leitner

09:50 Italian NAS (in preparation): Sergio Castellari

10:05 Q&A (Sergio Castellari and Markus Leitner) (rapporteur Intro and Session 1 Valentina Giannini)

10:15 tea break

Session 1b Interactive session about strategy development

10.45 Interactive session building on the adaptation policy process (Adaptation Support Tool and Guidance) from the first workshop. (Facilitated by Clare Downing, rapporteur Carlo Giupponi).

Session 2 Country specific questionnaires

11:30 Two parallel breakout sessions covering areas that need clarifying following the on-going discussion that Clare and Valentina will be having over the next few months with NFPs and participants to complete the Background Technical Paper (including Climate-Adapt country pages). (Facilitated by Clare Downing and Valentina Giannini, rapporteurs Sergio Castellari and Carlo Giupponi).

12:45 Lunch (60 mins)

Session 3a Implementing case studies

13:45 Case Study 1 Sonja Gebert, UNEP

14:00 Case Study 2 Markus Leitner, Austria

14:15 Q&A session (Facilitated by Markus Leitner, rapporteur Sergio Castellari)

14:30 Tea break

Session 3b Interactive session encouraging implementation

14:45 Interactive session looking at the identification and assessment of adaptation options that follows on from the strategy and case study sessions. The idea is to stimulate ideas for the future but also to demonstrate that 'bottom-up' local action can be carried out in parallel with 'top-down' strategy development (Session 1). (Facilitated by Clare Downing, rapporteur Valentina Giannini)

Session 4 Addressing the challenges: Round table discussion of future support needs

15:45 Open discussion about linking strategic, local, regional, current and future work (including ECRAN). (Facilitated by Andre Jol/Imre Csikos rapporteur Carlo Giupponi).

Session 5 Final discussion and agreement on next steps

16:10 To include what is expected from participants, the timeline, what is expected from the project team, final deliverables for this project and follow-up actions for ECRAN. (Facilitated by Andre Jol/Imre Csikos, rapporteur Valentina Giannini)

16:30 Close
